OFFICE OF THE DEWAN OF MYSORE. Regd No 6345 8-DEC. 1902 9.742

From: Police

Messrs John Taylor & Sons
6, Queen Street Place,
London, E. C.

To the

Dewan of Mysore,
Bangalore, S. India.

Sir,

We have the honor to acquaint you that our Directors have decided that it will be advantageous that Sir John Lambert should pay another short visit to India this winter, and under present arrangements Sir John will arrive on the Gold Field at the end of December next.

It is, as you are aware, our special wish that no efforts be spared to render our Watch Establishment as efficient as possible, and we feel sure that at the present stage much can be done to carry forward the measures set on foot at the close of last year.

In this and also in other matters which may require attention, the Directors feel confident that their Representative will, on this occasion also, receive the same hearty support from the Mysore Government and the local officials, which was given him on each of his previous visits.

We take this opportunity of acknowledging your letter of 22nd. October last, conveying the decision of the Government of Madras on our request that Mr Thomas, the Police Superintendent, might be allowed to receive from the Companies a small monthly allowance in return for special services rendered in Supervising our Watchmen.

We are concerned to find that the Government of

Madras has withheld their sanction from the proposal, but we still hope the valuable assistance rendered by Mr Thomas since March last may receive recognition.

We would beg permission to ask you to convey to Mr Thomas the assurance of the Directors and ourselves that the help already given by him to our Staff on the Field is highly appreciated.

We are, Sir,

Your obedient servants,

John Taylor & Sons
